Gourmet Series 2-Slice

Toast in style with the Aroma Gourmet 2-Slice Toaster. 6 toast browning settings and a mid-cycle cancel feature allow for toast to reach the perfect shade of brown every time. Extra-wide toasting slots accommodate even thick breads and bagels. And the specialized bagel function toasts just the cut side and warms the round side - perfect for the breakfast classic. The Aroma Gourmet 2-Slice Toaster's chrome finish and angular design look great on any countertop. The convenient cord storage feature keeps your counter clutter-free and cleaning up is a snap with the removable crumb tray.
